REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Note that the new claim 15 reads over the prior of record. Note that Huang fails to teach a fluff portion and the opening between the fluff portion and the front hem extension. Curchod fails to teach front hem, the fluff portion and the opening between the fluff portion and the front hem extension along with the pair of fastening cords. With respect to the Cao reference (4948191), it is noted that portion 26 are loops affixed to the side edges 28, thus portion 26 can not be part of the hem thus providing no opening between the fluff portion and the front hem extension. Note that the fluff portion is formed by portion 51 which having a length greater than that length at the corresponding hem at the openings.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
